### BLACKBOARD & E-MAIL AT HCC

All HCC distance learning courses have an on-line orientation, which is mandatory for first-time Blackboard users ONLY. The online orientation is available from the first day of early registration until the 10th day of the semester.

Students using Blackboard resources (see list below) are required to use their HCC Gmail account for all course-related communications. For details regarding how to access your HCC Gmail account, please refer to this Web page: <http://www.halifaxcc.edu/StudntRe/Email/pickmail.htm>.

Distance learning courses will be available the first day of each semester.

ALL Courses Use Blackboard Resources:

~*Online course*: An online course does not meet on campus. All course work is delivered electronically (via the Internet).

~*Hybrid course*: A hybrid course has an online component and a scheduled, mandatory class that meets at specific times. Refer to the schedule for details (day/date/time/location).

~*Web-Assisted*: A Web-assisted course is a seated course that meets at specific times and on specific days on campus. However, students are required to have Internet access as a supplemental part of the course.

Blackboard and distance learning orientations are delivered ONLINE. There is not an on-campus orientation.

Go to this URL to begin the online orientation: <http://www.halifaxcc.edu>

Click the link to Distance Learning.

Read the "welcome." Then, click the link "Online Orientation."

For help or additional information, please contact Ellen Grant at [jgrant941@halifaxcc.edu](mailto:jgrant941@halifaxcc.edu)
