BLACKBOARD & DISTANCE LEARNING COURSES AT HCC

All HCC distance learning courses have an on-line orientation, which is mandatory for first-time Blackboard users ONLY.

All HCC students will be issued an e-mail account. For more information, refer to this URL: <http://halifaxcc.edu/Online/> On the left-side of the screen, click Gmail.

Follow the instructions provided.

The username and password to access e-mail is the same username and password needed for Blackboard.

Students are required to use their HCC e-mail account for all HCC-related correspondence and e-mail communication.

Distance learning courses will be available by **the second day of each semester**.

Courses That Use Blackboard Resources:

~Online course: An online course does not meet on campus. All course work is delivered electronically (via the Internet).

~Hybrid course: A hybrid course has an online component and a scheduled, mandatory class that meets at specific times. Refer to the schedule for details (day/date/time/location).

~Web-Assisted: A Web-assisted course is a seated course that meets at specific times and on specific days on campus. However, students are required to have Internet access as a supplemental part of the course.

Blackboard and distance learning orientations are delivered ONLINE. There is not an on-campus orientation.

Go to this URL to begin the online orientation: <http://www.halifaxcc.edu>

Click the link to Distance Learning.

Click Online Orientation. Then, read the information and follow the instructions provided.

The Blackboard/distance learning orientation can be completed from early registration up through the last day to add a course.

Regarding students who are purged OR who register on or after the first day classes begin:

The person who registers the student in a distance learning course must send an e-mail to Beth Gray-Robertson (robertsonb@halifaxcc.edu) and include the following information:
