

**HALIFAX COMMUNITY COLLEGE  
DENTAL HYGIENE PROGRAM  
ADMISSIONS PROCEDURES FOR FALL 2023  
QUALIFICATION DEADLINE – JANUARY 27, 2023**

**Dental Hygienist**

A dental hygienist is a licensed preventative oral care professional that provides educational, clinical, and therapeutic services to the public. In order to become prepared to perform these services, the dental hygienist requires an extensive educational background. Most people first meet the dental hygienist in a private dental office where the hygienist performs many critical services that detect, prevent, and treat diseases of the mouth. Career paths for the dental hygienist include positions in clinical dentistry, administration, education, research, consumer advocacy, hospital dentistry, and public health. Career opportunities are global.

**Responsibilities of a Licensed Dental Hygienist**

Dental Hygiene graduates from our program will be able to:

- Perform infection control procedures.
- Perform general and oral health assessments.
- Provide nutritional counseling and self-care programs to prevent disease.
- Examine head, neck, and oral regions for disease.
- Expose and process radiographs and perform other diagnostic tests.
- Complete oral prophylaxis and other preventive services.
- Administer medications prescribed by a licensed dentist.
- Provide oral hygiene care instruction.
- Place and remove temporary fillings and periodontal dressings.
- Remove sutures.

**Halifax Community College Dental Hygiene Program Mission**

The mission of the Dental Hygiene Program is to facilitate the development of professional, ethical, and competent entry-level dental hygienists that exhibit the following:

- An awareness of their present and future roles and responsibilities within the profession and the community served.
- The knowledge and clinical skills necessary to provide comprehensive care to patients.
- A commitment to lifelong learning and professional development.

The dental hygiene curriculum provides the dental hygiene student with the knowledge and skills to assess, plan, implement, and evaluate dental hygiene care for the individual and the community. The curriculum also teaches the dental hygiene student to collaborate with the dentist, the patient, and other health professionals to provide comprehensive patient care. Graduates will receive an Associate of Applied Science Degree and will be eligible to take national and clinical dental hygiene licensing examinations.

## MINIMUM ADMISSIONS REQUIREMENTS

All items (#1-6) must be completed and submitted by January 27, 2023

1. Submit a completed Halifax Community College Application ([www.halifaxcc.edu](http://www.halifaxcc.edu)) indicating Dental Hygiene (A45260) as the Program of Study
2. Submit official transcripts
  - a. records of high school graduation or equivalency
  - b. all post-secondary transcripts
3. Complete course requirements or submit minimum scores on placement tests

Meet **MATH** proficiency with one of the following:

Completion of a college level mathematics course with a minimum grade of "C"

Completion of prerequisites to be eligible to take CHM 130

A minimum score on a placement test (ACT, SAT, NC Community College placement test)

Meet high school GPA policy to waive placement test and place into CHM 130.

Meet **ENGLISH/READING** proficiency with one of the following:

Completion of ENG 111 or equivalent with a minimum grade of "C"

Completion of prerequisites to be eligible to register for ENG 111 without co-requisite

Meet minimum score on a placement test (ACT, SAT, NC Community College placement test)

Meet high school GPA policy to waive placement test and place into ENG 111 without co-requisite.

Meet **CHEMISTRY** Proficiency requirement with one of the following:

Complete CHM 090 with a "C" or better

Complete high school chemistry with a "C" or better

Complete college Chemistry (CHM 130/CHM 131/CHM 151) with a "C" or better

4. Attend a 2023 Dental Hygiene Information Session to receive updates on the application and selection process to the HCC Dental Hygiene Program. **The applicant must attend an information session for the 2023 application cycle.**
  - Information Sessions will be held virtually for the fall 2023 admission cycle
  - Information Sessions will be hosted electronic teleconferencing
  - PLEASE CONTACT  
VERNA HIGH  
[vhigh655@halifaxcc.edu](mailto:vhigh655@halifaxcc.edu) for **HCC DENTAL HYGIENE INFORMATION SESSION LOGIN**  
**INFORMATION NO LATER THAN SEVEN DAYS PRIOR TO THE INFORMATION SESSION**

HCC DENTAL HYGIENE INFORMATION SESSIONS		
Monday	August 29, 2022	5:00 p.m.
Tuesday	September 20, 2022	5:00 p.m.
Wednesday	October 19, 2022	5:00 p.m.
Thursday	November 17, 2022	5:00 p.m.
Friday	December 9, 2022	10:00 a.m.
Tuesday	January 17, 2023	5:00 p.m.

5. Complete the Dental Hygiene Health Sciences Admission Application. This application will be sent electronically to applicants who have attended a 2023 Dental Hygiene Information Session.
6. Provide evidence of an overall 2.8 GPA  
*\*GPA is determined by most recent college transcript with a minimum of 12 hours of non-developmental credit.*
7. Submit **one** of the following documents:
  - (1) Completed Dental Observation **and** Dental Hygiene Interview Form (page 7)
  - (2) Completed Certificate of Current Enrollment in ADA accredited Dental Assisting Program Form (page 8)
  - (3) Completed Dental Assisting Experience Documentation Form (page 9)

#### Application Deadline

Admission to the dental hygiene program is limited to eighteen (18) students each August. Applications will be accepted through January 27, 2023. Applicants must submit all required documents to the Admissions Office, including all test scores by January 27, 2023. It is the applicant's responsibility to ensure that all required documents are submitted by the established deadline. Deadlines, guidelines, and policies apply equally to all students.

Halifax Community College does not maintain a waiting list. **Applicants to the Dental Hygiene Program must reapply each year if not selected.** Applicants who are not selected to the Dental Hygiene Program for the current admissions cycle must reapply each year.

## DENTAL HYGIENE STUDENT SELECTION PROCESS

The Halifax Community College Dental Hygiene Program uses a “*point system*” for the student selection process. Preference is given to students with the highest points based on the selection criteria, which include all completed documentation that is submitted by the deadline of **January 27, 2023**. **Please submit documents to Halifax Community College Admissions Office**  
**P. O. Drawer 809**  
**Weldon, North Carolina 27890**

### 2023 Application Checklist

- \_\_\_\_\_ 1. Complete North Carolina Residency Determination  
<https://ncresidency.cfnc.org/residencyInfo/>
- \_\_\_\_\_ 2. Complete Halifax Community College Application  
<http://halifaxcc.edu/Admissions/>
- \_\_\_\_\_ 3. Submit a Copy of Signed Social Security Card
- \_\_\_\_\_ 4. Submit **official** High School Transcript or General Education Development (GED) Score
- \_\_\_\_\_ 5. Submit **official** College Transcripts
- \_\_\_\_\_ 6. Submit documentation of Placement Tests or College Course Credits:  
Meet **MATH** proficiency with one of the following:  
Completion of a college level mathematics course with a minimum grade of "C"  
Completion of prerequisites to be eligible to take CHM 130  
A minimum score on a placement test (ACT, SAT, NC Community College placement test)  
Meet high school GPA policy to waive placement test and place into CHM 130.  
  
Meet **ENGLISH/READING** proficiency with one of the following:  
Completion of ENG 111 or equivalent with a minimum grade of "C"  
Completion of prerequisites to be eligible to register for ENG 111 without co-requisite  
Meet minimum score on a placement test (ACT, SAT, NC Community College placement test)  
Meet high school GPA policy to waive placement test and place into ENG 111 without co-requisite.  
  
Meet **CHEMISTRY** Proficiency requirement with one of the following:  
Complete CHM 090 with a "C" or better  
Complete high school chemistry with a "C" or better  
Complete college Chemistry (CHM 130/CHM 131/CHM 151) with a "C" or better
- \_\_\_\_\_ 7. Attend Mandatory Dental Hygiene Information Session for 2023 current application cycle
- \_\_\_\_\_ 8. Complete **ONE** of the following:
  - (1) Dental Observation Form and Typed Dental Hygiene Interview Responses
  - (2) Dental Assisting Experience Documentation Form
  - (3) Dental Assisting Diploma/Certificate Form
- \_\_\_\_\_ 9. Submit evidence of 2.8 Grade Point Average

**2023 SELECTION POINTS CRITERIA**

General education courses must be completed **prior** to January 27, 2023 and submitted on an official transcript to earn selection points.

Completion of general education courses is highly recommended prior to application to the program

Academic Point System: A = 4                      B = 3                      C = 2                      D or below = not accepted

*Multiply the final course grade by the points awarded for the grade that is listed above.*

*Example: Final grade in BIO168 = A; BIO 168 = 4 credit hours     4 x 4 = 16*

<b>ACADEMIC POINTS</b>		
<b>Classes</b>	<b>Credit Hours</b>	<b>Highest Academic Points</b>
BIO 168* Anatomy & Physiology I	4 credit hours	<b>16</b>
BIO 169* Anatomy & Physiology II	4 credit hours	<b>16</b>
BIO 175* Microbiology	3 credit hours	<b>12</b>
CHM 130* General and Organic Chemistry	3 credit hours	<b>12</b>
ENG 111 Expository Writing	3 credit hours	<b>12</b>
ENG 114 Professional Research & Reporting or ENG 112-Writing/Research ± COM 231-Public Speaking	3 credit hours	<b>12</b> <i>Average of grades for ENG 112 and COM 231</i>
HUM 115 Critical Thinking	3 credit hours	<b>12</b>
SOC 240 Social Psychology or PSY 150 (Introduction to Psychology) ± SOC 210 (Introduction to Sociology)	3 credit hours	<b>12</b> <i>Average of grades for SOC 210 and PSY 110</i>
<b>Highest Total Academic Points</b>		<b>104</b>

**\*SCIENCE Courses must be completed no earlier than three years prior to application, no earlier than 2020.**

<b>ADDITIONAL CRITERIA for SELECTION POINTS</b>	
<b>Criteria</b>	<b>Maximum Points</b>
Dental Assistant Experience *Certified Dental Assistant (CDA) = 5 points ( <i>Diploma from ADA-CODA accredited Dental Assisting Program</i> ) *Dental Assistant II (DAII) = 5 points ( <i>Office-trained dental assistant with at least <b>12 months</b> of experience, and/or proof of dental assistant certifications</i> )	<b>5</b>
Cumulative GPA *GPA is determined by most recent college transcript with a minimum of 12 hours of non-developmental credit. If student has no transcript with 12 or more credit hours, then high school GPA is used to determine eligibility. ≤ 2.8 = 0 ( <i>minimum GPA to be considered for selection</i> ) 2.9 – 3.0 = 3 additional points 3.1 – 3.5 = 5 additional points 3.6 – 4.0 = 10 additional points	<b>10</b>
Evidence of a Completed Degree from an accredited institution Associate Degree = + 5 Bachelor Degree = + 10 Master Degree = + 15	<b>15</b>
<p>HIGHEST ACADEMIC POINTS = 104 points  + HIGHEST ADDITIONAL SELECTION POINTS = 30 points  <b>MAXIMUM SELECTION POINTS = 134 POINTS</b></p>	

## DENTAL HYGIENE PROGRAM INFORMATION

Applicants who have credit for any **DEN** didactic courses will be **required to audit** the course during the respective semester in the curriculum. A student who audits a course is required to obtain written permission to audit the course. The audited course(s) will not be covered by financial aid.

If a prospective student has credit for any **DEN preclinic lab or clinic course from another institution**, the student is **required to retake** the course in order to graduate from the Halifax Community College Dental Hygiene Program.

**Prospective students must adhere to the policies of the HCC Dental Hygiene Program including, but not limited to:**

- Attendance
- Class preparation
- Clinic preparation
- Respect for self and others
- Dress code
- Use of recording devices
- Professional conduct
- Policies and procedures of Halifax Community College

**Students selected into the Halifax Community College Dental Hygiene Program must**

- Be at least 18 years old
- Complete a physical exam form
- Be CPR certified
- Have documentation of immunizations (TB/Hep B, MMR, COVID 19)
- Purchase student malpractice insurance
- Purchase required clinical equipment (instruments and handpieces)

***\*\*\*Halifax Community Dental Hygiene Program reserves the right to make revisions and/or changes in the admissions process as the need arises. \*\*\****

**HALIFAX COMMUNITY COLLEGE  
DENTAL HYGIENE PROGRAM  
DENTAL HYGIENE OBSERVATION AND INTERVIEW FORM (page 1)**

*Instructions: Please complete the requested information below. The applicant and the registered dental hygienist must sign this form. The applicant must type the interview responses using the format example on page 2. The observation must be completed within 12 months of submission.*

Applicant's Name (Please Print) \_\_\_\_\_

Applicant's Signature \_\_\_\_\_ Date \_\_\_\_\_

Dental Hygienist's Name (Please Print) \_\_\_\_\_

Dental Hygienist's License Number \_\_\_\_\_

Dental Practice: \_\_\_\_\_

Address: \_\_\_\_\_

Dental Practice Phone: \_\_\_\_\_

\_\_\_\_\_  
Dental Hygienist's Signature Date

***Your signature gives Halifax Community College Admissions Department and Dental Hygiene Program permission to contact you to verify the applicant's observation hours and interview with you.***

**Applicant's Observation Schedule (APPLICANT MUST OBSERVE FOR EIGHT (8) HOURS)**

Date	Arrival Time	Departure Time

**HALIFAX COMMUNITY COLLEGE  
DENTAL HYGIENE PROGRAM  
DENTAL HYGIENE OBSERVATION AND INTERVIEW FORM (page 2)**

***Applicant:***

***Please interview a licensed dental hygienist employed by the dental practice and TYPE the responses to the following questions. Please refer to the Format Example below.***

1. Identify practices and procedures you provide in this facility
2. What are some of your specific job duties not related to dental hygiene practice
3. How long have you been a dental hygienist in this dental practice
4. How long have you been licensed to practice dental hygiene
5. How many patients do you treat in an average workday
6. Do you have any input in scheduling patients
7. What is the length of the work week (days of operation per week)
8. What is the length of an average workday (daily hours)
9. What type of clinical attire is required in this dental practice
10. Who are the other members of the dental practice
11. Are staff meetings regularly scheduled and when
12. Identify the rewards of the dental hygiene profession
13. Identify the challenges of the dental hygiene profession
14. What type of community services are you involved with
15. Describe the effects of COVID-19 on your practice as a dental hygienist

**Format Example:**

*How long have you been licensed to practice dental hygiene?*

***I have been licensed to practice dental hygiene for 5 years.***

*Are staff meetings regularly scheduled and when?*

***Staff meetings are conducted weekly on Monday from 4:00 p.m. – 5:00 p.m.***

**CERTIFICATE OF CURRENT ENROLLMENT**

**Dental Assisting Program  
American Dental Association Accredited  
Commission on Dental Accreditation**

Please verify the applicant is currently enrolled as a dental assisting student in good standing in the identified Dental Assisting Program accredited by the American Dental Association Commission on Dental Accreditation.
