THIS ARTICULATION AGREEMENT is made and entered into by and between **HALIFAX COMMUNITY COLLEGE** in Weldon, North Carolina and **EASTERN CAROLINA CHRISTIAN COLLEGE** in Roanoke Rapids, North Carolina.

PURPOSE

Halifax Community College (HCC) and Eastern Carolina Christian College (ECCC) hereby join in a collaborative effort to facilitate the transfer of academic credit between the institutions. This agreement increases communication, coordination, and student support services between HCC and ECCC. Parties agree to the following terms and conditions:

1. ECCC agrees to accept college transfer coursework completed at HCC, under the program of study, as equivalents to ECCC courses in accordance with "Schedule A" attached hereto. The courses approved for transfer credit are taught by HCC faculty who meet the credential requirements of the Southern Association of Colleges and Schools (SACS). Students must earn a grade of C or better to transfer the course.
2. A recipient of a degree from HCC who applies for admission to ECCC and is admitted as a transfer student may receive up to a maximum of sixty-five (33) semester hours of academic credit.
3. HCC and ECCC partners agree to work together to provide remote access for educational support services to students of ECCC and to provide on-site services to students of HCC as follows:

Students Enrolled at HCC

To take classes at HCC, students must apply for admissions. Once admitted to the college, students have access to all services and functions provided by the college. HCC students may apply for financial aid.

Student ID Cards

Students attending HCC will be provided a student I.D. which must be revalidated each semester at no charge. However, there will be a fee charged for a replacement card. The I.D. card must be worn and visible at all times while on campus. Students who cannot show the I.D. card when asked to do so may be asked to leave the campus immediately.

Parking

Adequate parking is provided with easy access to all college activity areas. Campus security personnel are present during all hours of college operation. All vehicles to be operated on campus must be properly registered and display a parking decal. Students will pick up a parking decal from the cashier's office.

Learning Resources Center

HCC & ECCC students have full access to the library services. The Learning Resources Center (LRC) is the college's library and is a vital resource that supports Halifax Community College's instructional programs, providing services to the faculty, staff, administration, students, and members of the community. As such, it provides resources and facilities for study, research, and browsing for information and/or enjoyment.

General Computing Needs

For general use outside of the classroom, students may use the Electronic Resources Center (ERC). The ERC is a staffed computer lab providing technical support to those who need minimal instruction. There are sixty-six computers located in the ERC. This is a quiet study area. HCC & ECCC students have full access to the ERC.

Student Center

The Student Center serves as a social area for students. Students may relax, eat, and chat in a pleasant atmosphere. Vending machines provide snacks and drinks. The Student Center is located in the 300 building and is open from 8:00 a.m. until 9:00 p.m. Monday through Thursday and 8:00 a.m. until 6:00 p.m. on Friday. Students are expected to exhibit appropriate social behavior and language in the Student Center. HCC & ECCC students have full access to the library services.
