

**Memorandum of Understanding and University Partnership Agreement
Between
North Carolina Wesleyan University and Halifax Community College**

In partnership, Halifax Community College (HCC) and North Carolina Wesleyan University (NCWU) will enhance and expand the educational opportunities of Associate in Arts (AA), Associate in Science (AS), Associate in Arts Teacher Preparation (AATP), Associate of Science Teacher Preparation (ASTP), Associate of Engineering (AE), Associate Degree Nursing (ADN) and Associate in Applied Science (AAS) graduates by offering HCC graduates access to the benefits of the Wesleyan Works program, pre-admission advising, generous transfer credit, and a clear definition of the transfer of courses from HCC to NCWU.

Students who graduate and transfer under this agreement may select any of NCWU's traditional programs of study or, may transfer to NCWU's Adult and Professional Studies programs utilizing the advantages of the Wesleyan Works program.

Wesleyan Works:

Wesleyan Works is a transfer program designed for community college students who plan to continue their education at NCWU. Wesleyan Works (for which HCC students who transfer under this agreement are automatically eligible) guarantees admission to NCWU for HCC's AA, AS, AATP, ASTP, AE, ADN and AAS graduates. Students who participate in Wesleyan Works will have access to academic advising and financial aid counseling through NCWU, as well as access to attend events on NCWU's main campus in Rocky Mount, NC. The target population for this program is adult students who intend to attend NCWU's evening or online programs.

- Application – HCC students are eligible to apply for admission to NCWU at any time during their program at HCC gaining access to advising and a waiver of the application fee.
- Acceptance – NCWU guarantees acceptance upon completion of an eligible associate's degree.

Requirements of the program include:

- Maintain a minimum GPA of 2.0 and be in good academic standing.
- Complete the associate's degree prior to final admission.
- Submit official transcripts for each school previously attended.

Transfer Program Specifics:

Associate of Arts, Science, Teacher Preparation (Arts & Science) and Nursing: Graduates of the AA, AS, AATP, ASTP and ADN will transfer under the terms of the North Carolina Independent Colleges Comprehensive Articulation Agreements.

Associate in Applied Science: Graduates of an Applied Science degree, regardless of discipline, will matriculate as juniors with up to 60 hours of satisfactorily completed AAS coursework (minimum grade of "C"), transferred in as either major coursework, general education coursework, or elective coursework.

- Students transferring to traditional and Adult and Professional Studies programs will be eligible for and encouraged to seek early academic advising through NCWU's admissions team.
- Transfer equivalencies and specific pathways for program transfer will be located on NCWU's transfer admissions website.
- A student's AAS discipline, as well as the baccalaureate pathway they choose, will determine the total number of hours remaining for graduation
- Once accepted to NCWU, graduates of HCC's AAS programs will be permitted to take up to an additional 15 hours of general education coursework at HCC, for a total of no more than 75 credit hours in transfer, as outlined by NCWU.

Partnership Considerations:

NCWU agrees to:

- Accept AA, and AS coursework under the terms of the NCICU comprehensive and uniform agreements. Under these agreements, 60 credit hours transfer, and all general education requirements will be considered as met.
- Accept up to 60 credit hours from the AAS, and up to an additional 15 hours of general education coursework at the 100 level and higher into one of three categories – major coursework, general education coursework, or, elective coursework. These courses will be transferred into the degree of student's choice and students will be advised of the status of their transfer credits through an individual transfer credit evaluation prior to commencement of the bachelors' degree program. In some cases, a student could need to complete more than 60 hours to graduate from NCWU.
- Admit all eligible HCC graduates after satisfactory completion of an admissions background check.
- Participate in a joint Advisory Committee comprised of faculty, staff, and administration. This committee will meet twice per year to review this partnership.
- Promote the partnership on the NCWU website, social, and traditional media.

Halifax Community College agrees to:

- Post information about NCWU bachelor degree programs on HCC's transfer website and include NCWC in all HCC transfer events.
- Provide NCWU with census information twice annually, for all HCC graduates.
- Support the presence of NCWU on the HCC campus.
- Promote the partnership through HCC's website, social, and traditional media.

Assessment

- Courses taken in transfer from HCC to NCWU as part of this MOU will follow the same assessment procedures currently utilized by HCC.
- Yearly assessment of the MOU and partnership will take place during the partnership's advisory committee meeting. Additional transfer courses may be added at that time.

Hold Harmless:

The entities, Halifax Community College (to the extent permitted by the Tort Claims Act G.S. 143_291 et seq.) and North Carolina Wesleyan University, agree to hold each institution harmless in the implementation of this partnership.

Term of This Agreement

This Memorandum of Understanding is subject to annual review and may be terminated by either party with 120 days' notice. Any changes to this MOU, the partnership, or services provided by either party must be documented in writing and agreed upon by both institutions. This MOU replaces any previously signed general MOU. MOU's which address specific programs will be updated separately.
